

## Gentlemen Prefer Witches

Accidentally discovering that she's an extremely powerful witch, Rissa Harmond, travels to the distant city of Savannah to try and find the source of her new powers. Are they a gift, or a curse? Unfortunately, a millennium-old vampire does not want her to learn that secret under any circumstances, and suddenly Rissa is besieged by supernatural monsters, and running for her life! Barely able to control her growing powers, Rissa desperately struggles to find some way to defeat the vampire--even while falling in love with a devilishly handsome Southern billionaire who may be just too good to be believed...(Originally released as, Belle, Book, and Candle)
