A Forbidden Romance told from the male point of view. When the world is against your love, how do you survive it? From the moment we met, we knew there was something. They just made it worse. It wasnt me they should have been warning. Abigail was the one pursuing me. Over the years, weve stayed connected in secret. Its been a long drawn out tease. But now its the last summer before college, and she wants one summer before her family obligations take over. But I want all of her. I want to own her body and soul, and Im not going to stop until shes mine. I dont care who she is. I dont care what anyone thinks. I wont give her up.
