

70 House Cleaning Hacks to Make Your Life Easier

The 70 House Cleaning Hacks to Make Your life WAY Easier Book provides 70 simple ways through which various items and places in a home can be cleaned. It provides ideas that range from use of natural agents to freshen and clean homes, tips for cleaning your household within minutes to practical advice on how to clean various appliances, floors, curtains even sofas and easy Do It Yourself tips for cleaning various household items and rooms. In this Book, you will find ideas on how to use cleaning agents such as vinegar, baking soda and essential oils available in your home to clear stubborn stains and keep appliances and rooms smelling fresh. You will learn simple, low cost tricks of managing odor using materials such as newspapers, lemon and ice cubes that are readily available in your home. You will also learn how white chalk, corn starch and baby powder can provide an easy way for you to clean grease from walls and fabrics. This Book is presented in to seven separate sections. Each section offers practical tips that you can use to make your life easier. In total, this e-Book offers 70 practical House Cleaning Hacks that typically touch on every part of a home from living room, bathrooms, and kitchen areas. Make use of these Hacks and watch your house sparkle and your life become easier.
