

## Hades (1001 Dark Nights)

1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. A fallen angel with a mean streak and a mohawk, Hades has spent thousands of years serving as Jailor of the Underworld. The souls he guards are as evil as they come, but few dare to cross him. All of that changes when a sexy fallen angel infiltrates his prison and unintentionally starts a riot. Its easy enough to quell an uprising, but for the first time, Hades is torn between delivering justice?or bestowing mercy?on the beautiful female who could be his salvation or his undoing. Thanks to her unwitting participation in another angels plot to start Armageddon, Cataclysm was kicked out of Heaven and is now a fallen angel in service of Hades boss, Azagoth. All she wants is to redeem herself and get back where she belongs. But when she gets trapped in Hades prison domain with only the cocky but irresistible Hades to help her, Cat finds that where she belongs might be in the place she least expected.
