

Mating the Dragon (Dragon Ruins Book 6)

Taurians clan believes that his union with Wayrian can save them- if he can go through with it, knowing that he loves Karla. With his arch enemy Ultrimas claw on the scales, he doesnt dare risk backing out now. Not with his clan in immediate danger. Karla has accepted that he can never be hers. As a prince, he must put the needs of his clan first. As painful as watching the new couple beginning their life together is for Karla, its better than risking leaving while Ultrimas dragons wait outside. Ultrima himself offers her a way out, but she cant possibly leave Taurian and his clan to be wiped out by Ultrima. She has to do something to help them. If only she could figure out what.
