

Heart of the Galaxy (Paranormal Romance Aliens)

A New Steamy Romance from Best Selling Author Cristina Grenier Jessica thinks she is an ordinary girl living a rather dull, mundane life. That all changes when she is attacked by aliens and her childhood friend must reveal that he is also an alien sent to Earth to protect her. Jessicas world is suddenly turned upside down when she discovers that her parents are not really her parents and she is forced to travel to an unknown world in order to assume a destiny that she wants no parts of. And to add more confusion to the mix, she realizes that she is in love with her best friend who is now an alien. Can Jessica make sense of her crazy world, fulfill her destiny and have the man she loves? She realizes that she must find a way if she is to know true happiness.
