

Her Choice To Bear: BBW Bear Shifter Dating Agency Romance (Fated and Mated Book 2)

Mae is a bear shifter, although she doesn't really know what that means, because she has been raised by her non-shifter gran since the death of her parents. Determined to find her mate, she signs up to Fated and Mated, but gets no reply from the man she knows is her mate. Only when she checks the profile, does she find something is wrong. A quick phone call later, and she is put in touch with Jay, her true mate. Only problem is, they live a hundred miles apart, and she has promised her gran a trip to the beach, and he has to work as a ranger. But all is not lost when Gran and her friends, Joan and Katie, decide a trip to the mountains will do them good. All that freezing cold mountain air will be good for their poor old aching bones, right? Jay is surprised when Mae turns up in Grizzly Hollows, but he is still reeling from a death on the mountain. When he sees that one of them will have to make a choice as to where they live, and knowing how attached Mae is to her gran, will he give up his life on the mountain for his mate? Find out what happens when their worlds collide, and choices have to be made.
