

Tested by Her Web Master (Web Master Book 2) (Web Master Trilogy)

Sophie's erotic journey into BDSM continues in this second book of the Web Master romance trilogy... He's my addiction, my love, my life. He's my dominant, my everything. He's changed me, and I never want to go back. But now, he's asking for too much. Going too far. It's out of my comfort zone--not who I am. I'll swallow my pride and face my fears. But something tells me he has ulterior motives for this extreme request, and I will get to the bottom of it. That is, if I can pass his test. Tested by Her Web Master is the second book in the Web Master Trilogy and should be read following Her Web Master. If cliffhangers make you clammy, never fear - Claimed by Her Web Master, the conclusion of the trilogy, told from the perspective of the mercurial MC, will release May 19, 2016.
