

## Hijacked (A Retribution Novel) (Volume 4)

Former convict Christian Monroe has come to grips with his tainted past and paid his dues to society. Now, with the help of his vigilante friends, he's determined to make sure others pay for their crimes. His honorable intentions are sorely tested when he comes up against the dangerously beautiful attorney who seems to be in collusion with his mobster brother. Christian is hell bent on ending the violent crimes that have ravaged all their lives, and this distracting woman can't possibly understand the danger she's in. He has to decide whether she's worth saving or if she should go down with the others before she imprisons his heart. When most would run from criminals, feisty attorney, Eliana Compton stares them straight in the eye. She fights for those who need a voice, but that does little to ease her restless soul. Her brother vanished somewhere amongst the homeless on the backstreets of Portland, Oregon, and she'll do what she must to find him. When Eliana's quest brings her face-to-face with members of the fiercest drug ring in the city, she's disheartened to find the one man who touched her soul is neck deep in with the wrong crowd. She's faced with a choice between right and wrong, love and a life of emptiness, and she does something she's never considered before she takes the law into her own hands.
