The Barter System - Book 1 Hudson - Book 2 Pushing the Envelope - Book 3 Backstage - Book 4 Liberation - Book 5 Radiance - Book 6 Refuse to compromise.

Hudson Winters is in control of every aspect of his world. From his earliest memories, he's been driven to succeed and has allowed nothing to get in his way. Starting from poverty, he built his empire on opportunity and intimidation.

Personally, professionally, and sexually he dominates and ensures the reins are always in his hands. Until Gabriella Hernandez steps into his building. From the moment they collide she shakes up his entire existence. Her very presence causes him to question everything he thought he knew about himself, his relationships, and his future. Hudson is dark, deep, and steamy. The depth of the passion he feels for Gabriella twists him up inside and threatens to alter the course of one of his oldest friendships. Be prepared to be manhandled in the best of ways. You'll never meet another man like Hudson. The ride gets a little bumpy but it's worth it. A contemporary erotic novel from Always the Good Girl, Shayne McClendon.

NOTE: This story contains explicit sexual scenes and language (including domination/submission, multiple partners, menage, and same-sex) and is intended for mature 18+ readers only. Do not read this novel if explicit sexual content offends you. This is an HEA full-length novel of more than 130,000 words and does not end in a cliffhanger.
