

Dragons Chase: Paranormal Shapeshifter Weredragon Romance (Paranormal Protection Agency Book 7)

Hes found his mate. But can he convince her that hes her dragon? Working for the Paranormal Protection Agency has never been boring, but shadow-dragon Duke didnt expect to meet his mate in the line of duty. He certainly didnt expect a warrior every inch his match, or for her to slap him across the ass with her tail and take off across the city. With Baron on a very personal protection detail, Duke has to fly solo on the pairs investigation into the warlock who nearly killed Barons mate. Just one problem, his mate is working with the warlock. So, dead or alive, he has to bring her in She found the one thing she didnt want. Her mate. Now she needs to get rid of him before he ruins her mission. Sleeping for centuries has its drawbacks, Chase knew that going in. What she didnt expect was to wake with a Warlocks spelled collar around her neck and to find her charge, the Queens daughter, in a cage. Vowing to free them both will take skill and strength and she doesnt need the distraction of a hot as hell male dragon trying to make his claim on her. Even though her heart aches to complete their joining, she cant. Not yet. The mission, or her heart. Can she have both? Or will she need one to complete the other?
