**PASSION UNCOVERED** To Casey, Montgomery Prep isn't just DC's most prestigious private school-its her alma mater, the place where her fondest memories were made. Its also her current employer and the target of a dangerous cyber criminal. But even more shocking than the crime is the sexy FBI agent who comes to investigate ... With his six-plus frame and gym-sculpted body, no one would suspect FBI special agent Sam Cooper was once an awkward teenage computer geek-no one, that is, except Casey, the gorgeous girl who captured his heart on the first day of high school and held it for the last fourteen years. When a hunt for a hacker brings Casey back into Sam's life, his long-denied desire becomes impossible to ignore. He knows just how to make her forget the boy he was ... and show her the man hes become.
