

## All of Me: An Alpha Shifter Gay Romance

To bond with his destined mate, an Alpha wolf must look past what he sees and trust what he feels. Bonded by their parents before they were conceived, wolf shifters Abel and Kai adored each other since they were children. As teens, the two future Alphas took the next step in their bonding process and vowed to remain true to one another until Kai came of age. But when tragedy struck, Abel felt betrayed and ran from Kai instead of completing their mating. Abel never stops yearning for the man who was supposed to lead by his side and after years without contact, Kai returns, broken and on death's door. If Abel wants to fulfill their destiny and merge their packs, he'll need to look past what he saw and trust his heart. Word Count: 18,207
