

I Need You for Christmas

Ryan Porter is a sculptor, and beneath his callused hands, even the most rigid metals bend to his will. So, too, does his girlfriend Megana confident, strong woman who delights in submitting to Ryans dominance in the bedroom. Megan is a Mountie, and shes spent the past few years in the Arctic following her career dreams. Family obligations kept Ryan at home, but their love survived the distance thanks to several hot visits. A Mountie always gets her man, and Megan is bound and determined to keep Ryan. Now Megans with Ryan for the holidays but how long will this visit last? Shes always been willing to do anything Ryan desires, but will he finally tell her that all he needs for Christmas is her? 34,000 words
