All 3 Novellas in The Someone To Love Me Trilogy: Undeserving (Novella #1 in the Someone To Love Me trilogy) All of her life, Bree had been treated badly by men. According to her mother, it was just the way it was with the women in her family and there was no point in trying to fight it. There was no sense in dreaming about Prince Charming right out of the story books, he just didnt exist. She had to accept her fate and move on. It was as simple as that. Bree craved love. She longed for a man to promise her his heart and soul and protect her from the monsters that she had grown accustomed to. She prayed that her mother was wrong and that one day he would find her. Unforgiving (Novella #2 in the Someone To Love Me trilogy) When she is given a second chance, Bree tries to put the pieces of her shattered life back together. Without her abusive husband ruling her every move, she begins to enjoy her newly found freedom and decides to explore her feelings for his younger brother. But is the violence truly over? Or is Bree undeserving as her mother always said she was..... Understanding (Novella #3 in the Someone To Love Me trilogy) Still believing that her mother may have been right and everything she touches turns to dust, Bree decides to break away from the entire Butler family. Can she put the pieces of her shattered past behind her and start afresh on her own? Or will Treys undying love draw her back into his arms and into his world once more.
