

ILL-TIMED ENTANGLEMENTS (The Kate Huntington mystery series Book 2)

No good deed goes unpunished! When Kate Huntington agrees to help Rob Franklins elderly aunt with a problem, the problem ends up dead and Kate ends up in the middle of a police investigation. This second adventure in the series has a cozy mystery flavor, and a budding romance to spice things up. As she and her friends wade through a brimming pool of suspects some of whom have secrets they would prefer stay buried Kate finds it hard to deny her growing attraction to another party in the investigation. But its too soon; she is still grieving for her beloved Eddie. Then Rob surprises everyone when his reaction to this potential romance is both intense and negative. Is he just trying to keep his friend from getting hurt, or could he possibly be jealous? Meanwhile, the elderly residents of the retirement community continue to die off, and not from natural causes. The question soon becomes not just whether they will find the killer, but at what cost...Kates friendship with Rob, or one of their lives? (This book is part of a series but is designed to also be read and enjoyed as a stand-alone.)
