

Keeping Mr. Right Now (Kisses in the Sand Book 1)

A temporary agreement neither could keep. Brainy, organized Sophie Birch is no beach bunny. In fact, she's totally out of her element among the sun-bronzed crowd at a film festival in beautiful White Strand Cove. When a surf lesson introduces her to Zane Hollander, suddenly she's up close and personal with the world's sexiest surf star. But what can a great-looking, experienced athlete possibly see in a klutzy out-of-towner who's never set foot in the ocean? Zane Hollander's playboy reputation has never been a problem until recently. Now his management team wants him on his best behavior to entice a meaningful new sponsor. Sophie Birch is the perfect girl to help reform his image. She's genuine and respected, and their relationship is purely fictional. But the more Sophie blooms under the beachy sun, the more Zane knows he'll just break her heart. Because nothing's more important to Zane than following the tide.
