Honor Stone is a young, idealistic FBI agent when her path collides with Seth Cavanaugh. For a girl who has never walked on the wild side, the dark and dangerous Seth is a temptation she can't refuse. But then Seth walks out the door and out of her life. Five years later, Honor is an operative with the elite Last Chance Rescue organization and Seth is a desperate ex-cop searching for his missing niece of many young women who have mysteriously vanished from college campuses. Going undercover, Honor will attract the maniacal cult leader behind the kidnappings and find a way to work with Seth while steering clear of the passion and need that's just one touch away from explosion. Seth knows he had all the right reasons for the wrong he did five years ago. And from the moment he sees her and takes her in his arms again, this former undercover man will risk everything for one more chance with Honor. From the Paperback edition.
