

Manifestation Happens: Recovery from the Law of Attraction

Want money? Fame? Love? Good health? Who doesn't! Have you tried the Law of Attraction to manifest more of all of the above? How did that work out for you? Not too well? Then you need to read Joey Lott's *Manifestation Happens* and try your hand at his approach. He won't make you rich, or powerful. He won't make you sexy, and he won't make you a celebrity. He won't make you immune to disease, and he can't make you thin. So why on earth would you read it? Because the one thing he can do, is set you free from the superficial infatuation with all this stuff. Take the good with the bad. Bad things happen. There's no getting away from this. Bad things happen to bad people, and bad things happen to good people. No matter what you do in life, you cannot escape bad things. But what you can do, is learn to accept them; learn to stop resisting them, and learn to experience them just as they are. Without the bad there would be no good. Many of us run or hide away from situations that could potentially cause us pain. But we can't run forever; and besides, think of all the good that we also miss along the way. ..when I stopped running, and I ceased to try to protect myself from the terror and the threat of destruction, then I met myself for the first time. A better way! In *Manifestation Happens*, Joey Lott shares his own personal experience with the Law of Attraction, and demonstrates the ways in which it is lacking. In its stead, he offers up a simple alternative for consideration. He outlines a better, easier, and more inclusive method of experiencing the inherent goodness of life, and invites you to give it a try. Download it now to get started.

The Law of Attraction states that Like attracts Like and What you think about comes about. THAT would be the vibration I would want manifested in my life.
