

Kiss Me, Lynn (Kiss Me Series Book 2)

Kiss Me, Lynn is the second book in the Kiss Me Series by Linda George. Lynn Hanson and her best friend, Sharon, join a tour of Peru during their summer break from teaching. Sharon is determined to fall in love on this trip, while Lynn is determined not to have a vacation fling. But this vacation will not be what either expects. Lynns mother has been behaving oddly, and theres a chance she could have Alzheimersor something worse. All though the tour, they receive updates that threaten to change Lynns life forever. Throughout her life, shes wanted to visit the land of the Inca--Cusco, the Sacred Valley, and Machu Picchu. Finally, she has that chance. She also has the chance to meet the man shell love forever. Alex Vereau, their guide for the tour, is especially drawn to the beautiful turista, and to comforting her as she receives increasingly sad news about her mother. Even though he has known her only a few days, he feels his friendship with her deepening to love. But she will go home in only a few days. How can he tell her good-bye? Linda George is the author of more than 60 nonfiction books for children and teens, and seven novels. The first in the Kiss Me Series was Kiss Me, Chloe. Her historical romances include Gabriels Heart, written under her pseudonym, Madeline George, for Harlequin Historicals; the sequel, Toms Angel; and Silver Lady. Her time-travel romance, set in Memphis, is Ask a Shadow to Dance. Lindas website is www.LindaGeorge.net

With that confidence booster she began writing and in the fall published her first romance novel Dark Kiss which is the first in The Two Sides of Me trilogy. Editorial Reviews. From the Author.
