

Her Dom (Dominic Powers) (Volume 1)

My name is Dominic Powers. My software engineering company, DPS, is one of the top 500 companies in the world. Conducting a search for my Personal Assistant brought an unexpected candidate straight to me. I knew she was different as soon as she walked into my high-rise office. She exuded innocence and inexperience. Those are two things in a woman that normally don't attract me, but I am apparently making an exception for her. She's young and delicate and I'm afraid she won't make it in my world. But the carnal man I've kept hidden deep inside me says I have to try. She is my Sophia Vasco. I am Her Dom.
