

Hidden Target (Otter Creek Book 2)

No murderer is going to unravel Madison Ryders new life. Following the deaths of her husband and unborn son, Madison spent two years knitting her life back together by returning home and opening a yarn store. Now the stalker who murdered her family means to finish the job. After someone sabotages her car and torches her store, Madison joins forces with Nick Santana, her husbands former partner, to capture the killer. She refuses to let the stalker unravel her life a second time--not without a fight. Ex-cop Nick Santana searched two years for his partners killer and, after a failed attempt on his life, the hunt leads him to Madisons doorstep. Nicks determined to capture the killer--if he can stay out of jail. Following his arrival in town, hes framed for murder. With evidence mounting and the law closing in, Nick must prove his innocence and win Madisons heart. Nick and Madison pursue the killer, but uncovering his identity could be fatal.
