

## Love Gently Falling

Rita Jansen is living her dream as a hairstylist in Hollywood when her father calls with news that her mother has suffered a stroke. When she gets home to Chicago, Rita finds her mother is healing but facing a long recovery. Worse, without being able to run their family-owned salon, her mother could lose the business. Rita decides to help, but she only has until Valentines Day to come up with a plan. As Rita takes her mothers place at work, the nearby skating rink she loved as a child brings back fond memories. Rita also finds herself renewing friendships with her childhood best friend, Marley, as well as her classmate Johnny. Although they now lead such seemingly different lives, Rita is surprised by how well she and Johnny connect and how far he will go to help her. Though Rita believes Johnny is only being kind, with romance kindling in the air and on the ice, their friendship may just fall into something more.
