

If Not for Love: A Highland Romance

Escaping the immoral advances of her publisher, Adia Stone takes her career into her own hands and starts over. Scotland seems like the perfect place to get her creative juices flowing again, and being there also fuels her fascination with her family's Scottish history. The last thing she expects to find is love. After watching Tavish MacLachlan walk by her apartment every day for two months, Adia officially meets him and the budding friendship quickly turns to love. But there are forces at work around them that they are unaware of, and people willing to do whatever it takes to keep them apart. Adia is not so sure their love will be able to survive the secrets that come to light.
