

Love Is All You Need

When Del Montgomery's boss sends her to the Missouri Ozarks in search of a legendary pottery pig, her mission seems simple: figure out which of the clueless locals has the pig, convince them to sell it for peanuts, and then high-tail it back to Chicago. Local auctioneer Sam Samson could be the perfect secret weapon in her search - as long as he never figures out what she's really after. But is it possible to resist a tall, dark, gorgeous guy who's as sly as he is sexy? Everything about Del turns Sam on, from her city sass to her delicious cleavage to her habit of twitching her nose when she's about to tell a whopper. And she's been telling a lot of them. Still, Sam knows a true babe when he sees one, and he's not about to let Del slip away...
