

Love Listography: Your Love Life in Lists

Dont just whisper sweet nothings write them down in this journal created especially for romantic list-makers. Including a heart-pounding collection of list topics ranging from sweet (favorite love songs best dates) to cringe-worthy (relationship pet peeves worst break-ups) to downright naughty (favorite positions one-night stands) its the best place to create an entire autobiography of la vie en rose. Each list is also accompanied by a hilarious illustration that will set the perfect mood for a steamy night of list-making. How do I love thee? Let me list the ways!
