

Make It Count: A Bowler University Novel

Kat Caruso wishes her brain had a return policy, or at least a complaint hot-line. The defective organ is constantly distracted, terrible at statistics, and absolutely flooded with inappropriate thoughts about her boyfriends gorgeous best friend, Alec...who just so happens to be her brand new college math tutor. Who knew nerd was so hot? Kat usually goes through tutors like she does boyfriends--both always seem to bail when they realize how hopeless she is. Its safer for her heart to keep everyone at arms reach. But Alec is always stepping just a little too close. Alec Stone should not be fantasizing about Kat. Shes adorable, unbelievably witty, and completely off limits. Hed never stab his best friend in the back...But when secrets are revealed, the lines of loyalty are blurred. To make it count, Alec must learn messy human emotions cant be solved like a trigonometry function. And Kat has to trust Alec may be the first guy to want her for who she is, and not in spite of it.
