

Cry Wolf: Wolves of Angels Rest #7 (Mating Season Collection)

The killing moon is full. The wolves of Angels Rest knew they'd have to face off against the shifter-hating Kingdom Guard some day. And that day has come. Diesel has lived his whole life protecting others, so no way will he let the Guard bastards hurt anyone else. The pack is on lockdown until the battle is over. But then his past finally catches up with him. Country-western star Willow Raleigh has been on the road for years, looking for something she lost a long time ago. And she finds more than she ever bargained for: a secret that will change her world, a menace that will change her body, and a love that will change her soul.

CRY WOLF is a standalone bbw wolf shifter paranormal romance with a Happily Ever After for the heroine and her hero. Some of the other characters first appear in the earlier books of the Wolves of Angels Rest series, and some might appear in future books! So watch out for sexy shifters in need of a true mate.
