

Mayhem in High Heels (High Heels Mysteries)

Halliday resumes the story of Maddie Springer, shoe designer and amateur sleuth, a week before her marriage to hunky Los Angeles police detective Jack Ramirez. When she finds her wedding planner face down in frosting with a knife sticking out of her back, she knows that to leave on time for their honeymoon, she needs to help Jack solve the case. Her two best friends step in, not only to help find the killer, but also to serve as her new wedding planners. In between dress fittings and pedicures, Maddie and her crew visit everyone associated with the victims personal and professional life. Meanwhile, the guest list grows longer, and a tropical-themed ceremony coalesces, complete with giant tiki heads. As every lead turns into a dead end, Maddies big day seems doomed.
