

Burning Desires (Blue Bandits MC Book 4)

Blue Bandits MC Book #4 Burner Grant is a total jackass who needs to mind his own business. Kelsey Cane knows that her sisters mean well, but she's being smothered by their protection. She's finally convinced them she can take care of herself and the last thing she needs is another protector. After all she didn't just win her freedom from her sisters to jump under someone else's thumb. Especially not a biker who thinks he knows what's best for her. Burner isn't an easy man. He's been through the wringer over the last few years. He did things he doesn't want to remember while trying to find the spy in their midst. Now that he's back with the Blue Bandits MC, his family, he just can't seem to find his footing. Teetering on the brink of disaster, the last thing he needs is a sweet little innocent like Kelsey Cane to take care of, so why can't he seem to forget the little spitfire?
