

Midnight Sky: A McKenna Chronicle (Volume 2)

Confused and upset by dark revelations, Charlise Charlie Carter ended her relationship with the beautiful yet damaged presidential hopeful, Colin McKenna. But Charlie learns all is not lost, nor was her love given in vain. With a new understanding of how she came into Colin's life, and his true feelings, their sensual affair continues. Holding on to hope, Charlie gives him her heart and he's promised to protect it and her. Yet real danger lurks at every corner, in every city and behind each door. Colin must find a way to keep her safe and by his side, all the while remaining committed to his bid on the White House. While Colin wrestles with Charlie's security and the campaign, she struggles with new-found fame. Washington demands perfection and she is far from pure. Can Charlie remain true to herself and help Colin realize his dream? Or will outside forces tear them apart for good? The McKenna Chronicles tell a compelling story of burgeoning trust, sacrifice and a love so true it rises above pure evil. *Midnight Sun: The conclusion to Colin and Charlie's story is available spring 2016.*
