These tips will help set a positive tone for your day and invoke happy feelings in you. Each thought is accompanied by a quote, which sheds some light on the tip and pushes on the road of happiness and self-acceptance. Mindfulness is said to be the deliberate, accepting and non-judgmental emphasis of your attention on the feelings, views and sensations that occur in the present moment, without thinking about the baggage the past leaves us with or the worries of an uncertain future. You do not need long speeches of motivation to make you feel happy, a little positive though is enough to make you feel good about yourself. This is what mindfulness is about taking control of your thoughts and getting rid of all the negativity inside you. Here Is A Preview Of 365 Days of Mindfulness Tips and Quotes Tip: Always look at the positive side of every situation you face in life, after all everything that happens in life, happens for a reason. Quote: Some people grumble that roses have thorns; I am grateful that thorns have roses. Alphonse Karr Tip: Get to work on your dreams. Take that little step in the right direction. It doesnt have to be a big thing. One tiny push is all that is necessary. But, make sure you give put your everything into it! Quote: If you have a dream, dont just sit there. Gather courage to believe that you can succeed and leave no stone unturned to make it a reality. Roopleen Maintaining Mindfulness in Daily Life Research shows that regularly practicing mindfulness can improve well-being, lower

stress and lead to improved psychological functioning. Sounds good doesn't it?
