

## Vampire Daycare

Jet has spent the last one-hundred years protecting the people of the valley. Now a new threat has emerged, and kids have been orphaned, leaving them in the care of the vampires. But vampires cant stand the sun and the kids need to play in the daylight. They are forced to find help from mortals but Jet isnt prepared for how Travis impacts him. Travis and his men bond with the kids, becoming more than just caretakers. Jet is drawn to Travis but just as their relationship takes off, Traviss life is threatened. Being mortal has its drawbacks, and Jet isnt prepared to lose his new lover.
