

A New Look At Love

This fascinating review of what social psychologists know about love, sex and intimacy puts to rest some tired cliches on the subject. Begins by asking What is this thing called love? and finds that people distinguish between two kinds of love, passionate love and companionate love.

Elaine Hatfield is an American social psychologist. She has been credited, alongside Ellen S. among them A New Look at Love, which won the American Psychological Foundations National Media Award, and the often-cited Journal of Elaine Hatfield and G. William Walster Introduction by T. George Harris, former editor of Psychology Today Love.
