

Happy Birthday

On midsummers day, Phoebe Bowler - star-sign demon - should have returned home an ecstatically happy new bride. Instead, shes been jilted at the altar. In need of sympathy, perhaps she could turn to her neighbour, the dishy Rocky Lancaster? But with problems of his own hes turned into Mr Grumpy and wants to be left alone. That is until Essie Rivers arrives on the scene, and then Phoebe and Rockys paths seem destined to collide with a very big bump. Essie knows far more about astrology, personolgy, numerology - any ology you care to mention - than Phoebe has ever heard of. But it is the secret magic of birthday-ology that catches Phoebes eye. Can she really use a birthday to find a perfect match or to set her and Rocky back on the path to happiness? Phoebe thinks so, but thats when things start to go really wrong...
