

Irish Strength: The Irish Treasures Saga Book One

Long ago, before men came to the shores of Ireland, there lived a race of gods who fought a great evil to keep their island from sinking into the sea. Knowing men were destined to rule the land they loved, the gods created four great treasures to guard their beloved isle should the great evil rise to destroy it once more. Thousands of years would come to pass before the treasures were needed, before man would have to fight, to save Ireland from destruction.

Morgan MacQuill flees America with her newborn son, running from an abusive husband. She finds herself in Ireland, with family she never knew existed. She soon discovers a heritage and power kept hidden from her and a destiny that will change her life forever.

Quinn MacGreen has dreamed of a mysterious blonde woman his entire life. He meets his new neighbor, Morgan, and is shocked to see she has stepped out of his dreams and into reality. He struggles to accept his fate while protecting the woman he doesn't want to fall in love with. Morgan's estranged husband begins a deadly search for her and Quinn must do everything in his power to keep them safe. When an ancient evil returns to destroy the world, Morgan and Quinn must work together to guard a great treasure forged by Celtic gods. Morgan's past collides with the evil they are battling and the mythical war they are fighting becomes personal. With a mix of magic, suspense and plenty of romance, Irish Strength will take you on a journey that turns myth into reality and proves that love really is the most powerful magic of all.
