

Spark of Magic

Nicholas and Darien had promised their father they would find Rebecca and keep her safe from the warlock who was determined to see her dead. What they never intended was falling in love with her. Rebecca thought dealing with her magical powers was bad enough. Dealing with the identical twin warlocks sent to protect her, as well as her growing attraction to them, was much worse. Until she finds herself the target of the madman who killed her parents. But Sabastian has so much more in store for the threesome, plus a surprise of his own that will shock everyone. Its not just her life at stake anymore, its the fate of her entire world and shell have to learn how to better use her powers before its too late.

A magic based mod pack where magic is everything and you can create endless spells thanks to Ars Magica 2, it is also set in the medieval era
