www.TheOriginalHeatherGraham.com Between the evil and the deep blue sea A historic cruise ship, a haunted ship, the Celtic American Lines Destiny, sets sail from the Port of New Orleans with a killer on board. He's known as the Archangel Killer because of the way he displays his victims in churches. And how he places a different saints medallion on each body. No one knows exactly who he is or why he's doing this. Jackson Crowhead of the FBI's Krewe of Hunters, a special unit of paranormal investigators is assigned to the case, along with local agent Jude McCoy. Then Alexi Cromwell, who works in the ship's piano bar, is drawn into the situation when a victim's ghost appears to her and to Jude. She and Jude share an attraction, and not just because of their mutual talent. There are many suspects, but one by one they're ruled out. Or are they? In the end, Jude and Alexi have to rely on each other to catch the killer and escape his evil plans for Alexi.
