

## A Good Time

A passionate free spirit and a sweet-talking playboy sound like a match made in heaven-until life gets in the way of all the fun and games ...Indy Adams values her freedom above all else. She works hard to support herself, moonlighting as a waitress while she fights for her first big sale in the Chicago real estate market. The last thing she needs is to be tied down, so she doesn't think twice about declining her philandering boyfriend's marriage proposal. Besides, she just landed a new client, a wealthy lothario-exactly the kind of guy who would understand her no-strings approach ...Handsome, rich, and charitable, most women jump at the chance to even talk to video game developer Griffin Walker, let alone date him. So he can't understand why Indy wants nothing more than a few steamy nights together. Despite his romantic track record, Griffin longs for real love-complete with a home and family-and he wants it with Indy. But a blessing in disguise may lead them both to a life they never expected, and give Griffin a chance to show Indy that it's okay to want more than a good time ...
