

## Players, Bumps and Cocktail Sausages

Putting his player ways behind him, Jasper Dane is now strictly a one-woman man. Jasper, desperate to start a family with his wife, Abby, is devastated when she puts their baby plans on hold. Holly has just arrived back in town for the summer, and after landing a job with Jasper, the two form an unlikely friendship. Abby's immediate dislike of Holly and Jasper spending time together causes him to question his wife's fidelity. Broken hearted at Abby's sudden change of heart and suspicious of her reasons, Jasper takes action, sparking a chain of events that make his once well planned out life spiral out of control. To get what he wants, he first has to lose everything.
