

## Raging Hard: A Stepbrother SEAL Romance

My stepbrother is raging hard and he wont be controlled. When we first met, he was only a perfectly gorgeous stranger all covered in tattoos. I couldnt resist pressing my body close against his. I couldnt say no when he took me out to the alley to do more than just dance. How could I have known my overbearing Dad just married his crazy-as-hell Mom? His name is Nathan Magnus and hes a total prick. Hes a Navy SEAL, trained to fight and kill in a thousand different ways, and he thinks hes the best thing to ever happen to me. Hes everything I hate wrapped in everything I want. Now hes staying at our house all summer. And thats not even the worst part. Someone is after me because of my fathers shady business deals, and only Nathan is strong enough to keep everyone safe. He has no sense of boundaries. Hes my bodyguard, but that doesnt mean he can strip down and take a shower right in front of me. And of course I cant help but stare. Hes delicious, provocative, dirty, and arrogant. I may be safe with my stepSEAL around, but I dont stand a chance.
