Paranormal Romance, Book 6
After years of living abroad, Maizy returns home to the only family she's ever known--a pack of wolves. When she confronts her childhood watchdog to see where they stand, his resentment leaves her uncertain about where she really belongs. Behind Denver's charming smile is a tragic past--one that made his wolf savage and unpredictable. Only Maizy has been able to tame that darkness, and when they're reunited after many years apart, he no longer sees a child he once protected. She's captivating and intelligent--a woman with the world at her fingertips and two suitors offering more than he ever could. Torn between two worlds, Maizy must choose how her fairy tale ends. Tragedy, murder, passion, and imprisonment all collide with a heart-stopping twist. You must decide how your fairy tale will end, little one. With a love that could be fleeting and hurt you in the end, or with a man who will give you your heart's desire. Destiny will find you.
