Haunted by a tragic accident that yanked his beloved wife from his side, Kristoffer Roar Larson has been going through the motions in life. But when he meets the dedicated surgeon and humanitarian, Pamela Jeffrey, he feels an undeniable connection to her, stirring feelings he buried long ago. After encountering her in a compromising position on a tour of a BDSM academy, he realizes there's more to her than meets the eye. Fascinated by her assertive alpha personality, coupled with her desire to submit and serve, Pamela intrigues him. As Pamela shines light once more into the dark corners of his life, Kristoffer finds himself struggling between remaining in his safe and lonely world or emotionally opening himself up to a vibrant woman, who asks for nothing more than he's able to give. Guiding her in mind-training exercises to prepare her for some future Dom, Kristoffer finds his body awakening as well. Will Kristoffer be able to close the door to his past and open his heart to the ginger-haired sprite who makes him question everything he once believed? ROAR is a standalone novel that has some familiar secondary characters from Rescue Me Saga, but the main characters are new. You don't have to read the series to fully enjoy this book.
