The much anticipated sequel to the new adult bestseller *How to Catch a (Rock) Star!* Johnny Moretti, bassist of American rock band The Dead Hour, is hot, single and in demand with women, but hes becoming disillusioned with the rock star lifestyle. Not that he wants to settle down like his band mate, Jed. Hell, no. He just wants something more out of life than meaningless hook-ups. While filming for a popular UK chat show, he meets American TV actress Darcy Swanson for the second time. As with the first time they met, theres no love lost between them so when their lives are thrown together unexpectedly when a traumatic incident involving movie superstar Jack Ford occurs, neither knows quite how to handle it. With Johnny facing prison and Darcys hard-earned career in serious jeopardy, they both need to confront their pasts and face up to the truth, but are they be brave enough to do it? A web of Hollywood cover-ups begins to surface, but will Johnny and Darcy be the first spark to light the fire and run the risk of getting seriously burnt or will they stay silent and suffer the consequences?
