

Freed by the Alien Barbarian (Warriors of Warden)

Once promised to a prince, Ncl has been branded a traitor, and life as shes known it is over. Although innocent of the wrongdoing shes been accused of, she knows it doesnt matter because she is no longer welcome on her home planet. Now a prisoner, her fate is sealed when a handsome male pays an exorbitant fee to make her his. Intergalactic soldier and prince, Ryn is feeling hemmed in by all the romance at his family home. He knows marriage will never be for him, but maybe a female to spend time with wouldnt be the worst idea. He has no intention of bidding on any of the female slaves in the marketbut once he see Ncl, he acts without thinking. Can she get past her feelings of inadequacy and accept her place beside a prince? Or will she spend the rest of her days longing for what shes lost?
