

Scorned (A Suspense Thriller)

This edition contains three novelettes: Scorned, Hitchhiker, and Intoxication. You'll have four days to abuse Daniel any way you please. He'll be tied and won't be able to resist. There will be no witnesses. You'll have complete freedom to do whatever you want to him. When a mysterious woman offers her a chance to punish her boyfriend for cheating, eighteen-year-old Heather doesn't hesitate to say yes. She will have four days to realize her vengeance fantasies and teach Daniel a lesson he will never forget. How far will she go? And will she let him live? Heather doesn't know that yet. One thing is for sure--neither one of them will be the same after this.

-----BONUS: Suspense novelette Hitchhiker When a serial killer hitches a ride one sunny day in a beautiful California valley, he does not suspect that he may have met his match, who is dead set to take another life. The battle of wits begins and only the most devious mind will survive.-----Suspense novelette Intoxication In this disturbing tale of derangement, a young psychopathic woman is slipping into madness as she fights an enemy that may exist only in her imagination. She has to resort to desperate measures when she realizes that a gun, security cameras in her apartment, and constant vigilance will not be enough to survive. It is hard to find a black cat in a dark room, especially if the cat is not there, but Leslie, with her resolve fueled by paranoia, is hell-bent on finding and slaughtering it.---Plus sample chapters from Tim Kizer's horror novel Days of Vengeance.
