

# Sweets Forgotten: Samantha Sweet Mysteries, Book 10 (Samantha Sweet Magical Cozy Mystery)

When a woman walks into Samantha Sweets pastry shop, claiming to have amnesia, its a puzzle that seems to have nothing to do with Sams new commission for a fantastic one-of-a-kind order of chocolates, although Jane Doe seems to know a lot about that. Sam calls Sheriff Beau to help solve the mystery of who this stranger is and where she belongs. But Beaus attention is occupied by other things: nearly his entire force is out sick with some kind of flu bug, and now a murder far from Taos requires his full attention. Nothing is fitting together, until suddenly it does. Janes forgotten memories become vitally important as Beau and Sam work to piece the puzzle together in this latest installment in Sheltons internationally bestselling series. Connie Shelton gets better with every book she writes. --The Midwest Book Review Im addicted to this series! --Mollie D. Williams, 5 star review online Great series.
