

Shapeshifter Romance: Dripping Wet in The Cop Car (Bear Shifter Paranormal Romance Shapeshifter Romance)

A Bear Shifter Romance To Get Your Heart Pounding Jen is anxious about the police force getting new recruits. Although new blood is definitely needed in Denver's war on crime, she isn't sure she can trust the new people if things go wrong. Brad, the new join that's been paired with her, seems all right. It isn't until she is shot that Jen can really tell; but along with proving himself, Brad turns out to be a little more than he first seemed. Much more, in fact. And Jen has never felt more challenged or turned on. There's nothing more alpha than a bear shifter in a police uniform. Are you ready to try something a little more aggressive than you're used to? Don't worry, I won't tell a soul. ;-) Grab your copy today!
