

SIGHT UNSEEN

This book was previously published several years ago and has gotten new life as an eBook. I hope you enjoy this classic love story from me and be sure to visit our author site at www.thethrillofsuspense.com where you will find our latest Young Adult, New Adult and Romantic Suspense novels added since 2012. There was a dead man in a pond. Nicki saw it over and over, both when she was awake and asleep. But she didn't know who it was, where the pond was or even if it was real or just a nightmare. The mud on her shoes and her clothes made her wonder if she had actually been there and had repressed the memory. Finally, not knowing if she is guilty or innocent, crazy or sane, she confided her fears to detective Jake Kelly. Jake wanted to believe she was innocent, but his investigations proved that everything she had seen had been completely accurate. She had the most to gain and the most to lose. They both needed to know the truth...but truth brought danger. The mists and fogs of the Rockies, the shifting play of light and shadow ... the imagination could easily conjure apparitions from the enchanted air that swirled around The Stanley Hotel. ROCKY MOUNTAIN MAGIC ... all it takes is an open heart. AUTHORS NOTE:

I enjoyed writing this book so much...partly because the Stanley Hotel rolled out the red carpet and let us spend several weekends there as their guests and partly because it was #2 of a series and the other books were written by two very close friends. I dedicated this to Emma and Jan, both of whom were very talented authors and wonderful pals...and are sorely missed.

REVIEW: RENDEZVOUS The setting, plot, and characters are well blended and make for a good read. ROMANTIC TIMES (4-) Ms. Clark deftly heightens her provocative plotline with topnotch romance. BONUS CHAPTERS INCLUDED.
