

Sinfully Mine (Lessons with the Dom) (Volume 2)

She was forbidden. I didnt care. As my best friends little sister, Macey Hale was off-limits. Tempting as sin, and forbidden. I wish I could say that stopped me. I wish I could tell you Id behaved like a gentleman.

I didnt. When she waltzes back into my life with that same spark I fell for, looking every bit the beautiful woman I knew shed grow into, I have to force myself to remember Im different from the man she once knew. Im colder. Harder. And for good reason. With my heart on lockdown, and my hands aching to touch her, I set out to prove that I can keep myself in check this time. No strings. No attachments. And definitely no falling for her again. If you like steamy love stories, you wont want to miss this older brothers best friend romance. This is book two in the Lessons with the Dom series, following The Gentleman Mentor. Both are complete standalone novels featuring sexy Dominant men youre sure to fall in love with. Enjoy!
